A prioritisation answer needs a reason for what came first.

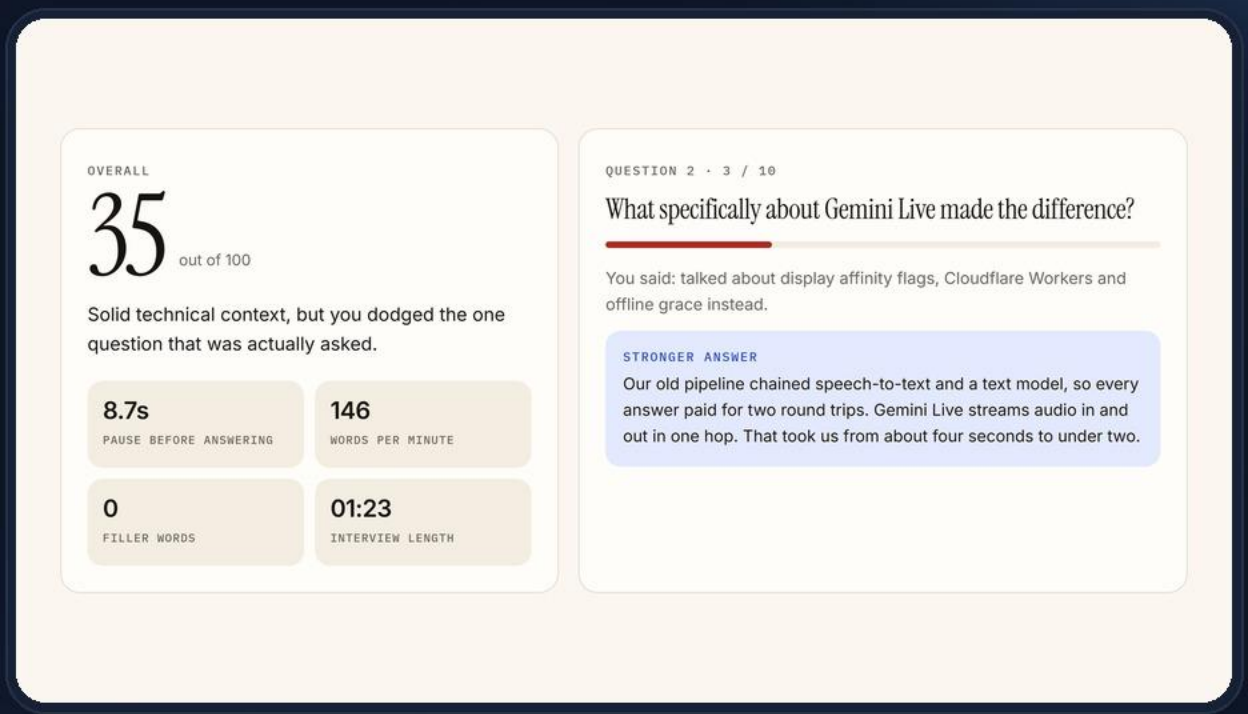

A practical answer framework. Try it with your own CV.

Show the reason for your priorities

1. The competing tasks
2. The main constraint
3. What you prioritised
4. How you communicated the choice

Prep Sarthi

Practise. Read your feedback. Try again.

Actual product interface. Displayed answers and scores are illustrative.

Interview Sarthi

Try a free mock interview

7-minute spoken mock interview. No card, account or API key for the demo.
